

Urbino - Brief specifications (UB)

unit = mm	Vanguard	Avant-garde	Crystalline
			

Door leaf structure & dimensions

Stile & rail:	3mm aluminium alloy channels		
In-fill:	23.5mm aluminium alloy honeycomb core	Safety glass	
Cladding:	5mm medium density fiberboard (MDF)		n/a
Surface finishes:	Laminate / Aluminate / wood veneer		clear / sandblast / mirror
Edge band:	Aluminium	Aluminium	Aluminium
Ironmongery:	Factory-fitted	Factory-fitted	Factory-fitted
Standard size:	2032 x 813mm	2032 x 813mm	2032 x 800mm
Thickness:	40mm	40mm	40mm
Maximum height:	2320mm	2320mm	2200mm
Maximum width:	830-850mm	830-850mm	800mm

Door frame structure & dimensions

Name:	Aluminium alloy (UB002)	Aluminium alloy (UB003)	Aluminium alloy (UB009)
Type:	inter-lock	inter-lock	inter-lock
Architrave:	Integrated	Integrated	Integrated
Surface finishes:	Aluminium with inlay	Satin aluminium	Satin aluminium
Rubber gasket:	Grey (non-elastic)	Clear (non-elastic)	Clear (non-elastic)
Hinges:	Stainless steel	Stainless steel	Stainless steel
Architrave width:	72mm	76mm	72mm
Adjustability:	20mm	20mm	20mm
Fit wall thickness:	120-290mm	120-290mm	120-290mm

Opening dimension calculation

Internal width:	Leaf width + (60 ~ 80)mm
Internal height:	Leaf height + (50~60)mm + floor thickness
Wall buttress width:	All openings must have 40mm wall buttresses on both sides
Variation allowance:	3 to 5mm

Supply

Lead time:	8 to 12 weeks from order confirmation
Installation:	Will be carried out by our approved/trained installers
Warranty:	1 year
